

DORMAN HIGH SCHOOL

'All Sports' Booster Club

The Club's commanding **OBJECTIVE** is to provide to the School's Athletic Department supplemental financial support for activities and items not funded by the School District.

Our **GOAL** is to ensure that each athlete at DHS not only receives the very best of training and safety equipment but is decorously recognized for his or her time and effort.

Our major **REVENUE** source is membership subscriptions. Other funds are raised through the sale of concessions, Cavalier spirit wear and merchandise and fall program advertisements and sales.

Our **EXPENDITURES** are numerous. We participates financially in activities such as team camps, special equipment needs, special transportation requirements, stadium cleaning, team banquets, individual award banquets, selected student activities (*Pep Band and Blue Belles*), special projects of the Athletic Department, State Championship rings, team travel meal money, team pre-game meals and annual student scholarships - (*our Club feels very strongly that our athletes should be celebrated for their successes in the classroom, as well as for those on the field of play*)
